

“WeChat Payment” service

We launched a “WeChat Payment” service at the TIAT DUTY FREE SHOP CENTRAL in Haneda International Airport on June 1st. The users of WeChat Payment for shopping are increasing with a focus on Chinese tourists.

To enhance convenience of for foreign passengers, we decided to expand “WeChat Payment” service in the other duty free shops from July 15th.

Wechat is integrated in wechat client payment functions. Uses can be done through mobile phones fast payment processes, wechat payment on the basis of the quick pay our binding bank card, to provide customers with safe, fast and efficient payment services.
